

Govt Meera girls college udaipur (Raj.)

Udyan vikas and Harit Parisar Committee
Session 2019-20

The term "Go Green" has become a popular term in the today's world.

Green and clean environment is very beneficial and attracts everyone and gives suitable environment for work .

Keeping this in mind Udyan vikas and Harit Parisar committee keep the college campus clean ,green and attractive throughout the academic session.

Many programs of plantation, spreading awareness and cleanliness were organised by this committee throughout the session.

A plantation program on mass scale was organised under "Mera Hara Bhara Rajasthan" program.It was organised on 25 July 2019 Under the guidance of Committee in-charge Dr. Savita Chahar and committee members Dr. Anita Kawdia , Dr. Rekha Bhatia ,Dr. Manisha Chaubisa and Dr.Nasreen Banu .

In this program rajasthan's state flower tree "Rohida" was planted in the college campus ,botanical garden and Meera vatika. Many other fruit Plants and Medicinal plants such as Mango, Pomegranate ,jamun were planted by the principal of the college , Faculty members and students.

According to "Ek Chatra-Ek Paudha "scheme the committee gave the responsibility to the students to take care of the plants and trees.

In the month of august Udyan committee organised a five days program named "Kharptwar Unmoolan" Each member and student took part in this program with enthusiasm.

On the auspicious 150th birth anniversary of the father of nation Mahatma Gandhi, "Swachta abhyan"was arranged by the botany department and the Udyan committee from 2nd of October 2019 to 5th of October 2019. In this program students took the oath to clean the campus and decided to stop the use of plastic in the campus.

Udyan committee launched a program with the help of the students in which they planted the medical plants from 6/12/2019 to 12/12/2019. In this program important medical plants such as amla, Harad, Arjun , ,Aloevera , kala dhatura ,mehendi were planted in the college campus.

On the festival of makar sankranti shakti vatika and Laxmi Vatika were inaugurated which are located in front of the college library. Plants like Golden durlabha , fulwari , pili kaner and muraiya were planted in these new vaticas.
