FEEDBACK REPORT- PARENTS
SESSION 2016-17

The Internal Quality Assurance Cell of Government Meera Girls College, Udaipur conducted a feedback survey and collected data from parents of regular students for the session 2016-17 in February 2017. A questionnaire consisting of 9 closed-ended and one open-ended question was used for data collection.

- **Academic Activities:** The most satisfying response is related to the performance of the institution in academic activities. 97% of the parents surveyed are fully satisfied with the teaching activity in the college (response to question no.1 which indicates the satisfaction level of the parents with respect to teaching in the college). They also believe that the college is empathetic to the requirement of students in studies and takes appropriate measures to facilitate an environment conducive for studies that helps in building a bright future of the students (89% of the responses are affirmative to the proposition “ Is the College sensitive towards the studies and future of girl students?”; question no.2)
- **Environment:** Parents feel that the College provides a safe and secure environment for girl students. 98% of the responses to question no 6 indicate that the college environment is safe for girl students.
- **Co-curricular and Extra-curricular Activities:** Parents have expressed their satisfaction with the various activities organized and conducted in the college. They believe that the various activities conducted are helpful in the overall development of personality of the girl students (93% affirmative responses recorded for the proposition “Whether the activities in the college are helpful in overall development of girl students?”; question no. 9)
- **Student- teacher interaction:** Parents are also appreciative of the efforts made by the teachers in solving various problems faced by their wards. 81% of positive responses to the proposition “Whether teachers are helpful in resolving problems faced by students” (question no. 7) indicate the helpful nature of teachers.
- Parents of students from the Arts faculty seem to be **dissatisfied** with the time-table of the college. They feel that their wards spend longer hours in the college stretching over 8 hours. About 95% of the respondents are dissatisfied as indicated in their response to question no. 3 which asks “Whether you are satisfied with the time-table of the college?” The suggestions given by most

parents is a request to the college administration to make the timetable more compact; as registered in response to invited suggestions in question no.10.

- While responding to question no. 8, 68% parents opine that the students are not utilizing the available sports facilities.

ACTION TAKEN REPORT

SESSION 2016-17

In response to the feedback received from different stakeholders including students through the feedback collected by the Internal Quality Assurance Cell (IQAC), the following measures have been taken:

1. The 'Fish-Bowl' technique as a new teaching method was introduced and demonstrated to the teaching faculty with a view to make the teaching-learning process more interesting for the students.
2. For spreading awareness about the use of novel means of cashless transactions, a workshop on 'Mobility to Cashless Transactions' was organized. Another workshop on "Physical Fitness and Well-being" was organized to motivate the teachers to maintain good level of fitness.
3. Various gender sensitization activities including a workshop on "Beti-Bachao-Beti Padhao" and the PCPNDT Act was organized for the students.
4. With the efforts of the Youth Development Centre (YDC) of the college, sponsored scholarship for meritorious students was arranged from Mahindra Finance.
5. With the efforts of Director, Physical education, Meera Girls College, Udaipur, a grant of ₹ 13 lakhs was received from the Ministry of Tribal Affairs, Government of India for "WAMASHAKSHAM"- training for "SELF-DEFENCE AND PERSONALITY DEVELOPMENT OF ST GIRLS" of the college. Girl students from general category were also beneficiaries of this programme.
6. Administrative sanction from the MP-LAD fund worth ₹ 10 lakhs was received for the repair and renovation work of the hostel premises within the college campus by the efforts of the college administration.
